PROJECTION SCREEN WITH RETRACTABLE ADJUSTABLE FEET - "CONTOUR

W/H: 350X300 CM, WITH CRANK HANDLE

PRODUCT

Mobile light screens are the ideal solution when it comes to a quick and easy presentation setup. Optimal at trade fairs, in churches, conference or training rooms. The Contour is optimally suited for universal, transportable use. Due to its carrying handles on the front sides of the housing and the retractable adjustable feet underneath the housing, it is ready for use anytime and anywhere.
The standard color of the aluminum housing (W 19 x H 19 cm) and the adjustable feet are RAL 9016 Traffic White. Other colors are optionally available for the housing according to RAL Classic, please contact us!
You can get the mobile projection screen in different formats and designs. The Countour can be delivered with a maintenance-free motor drive or with a crank gear.
The Contour can be used directly without any assembly work. The four fold-out adjustable feet under the housing make the projection screen mobile and flexible at any time.

Accessories

Crank drive - left
